Discounts, News, Information & Events Dedicated to
Ohio Senior Citizens, Age 55 and Older!

Dear Ohio Senior Citizen Supporter,

As a supporter of OhioSeniorCitizens.com, we are reaching out to those interested in helping us continue on our journey to grow and expand our services to Ohio senior citizens. In our 7th year, we have accomplished many goals. Our online services offer many seniors news stories, discounts/coupons for all Ohio counties, list current events, and offer a comprehensive contact listing of senior centers in all counties. Seniors can access our service to free to find helpful resources in the areas of health, security, lifestyles and more. We offer areas dedicated to products produced in Ohio, medical services, and more. We rolled out our mobile app designed specifically for seniors so they can access our services on their handheld devices. Our email list continues to grow every day, which is used to send out important announcements, events, alerts and offers.

Our greatest pride is our continued top listing on all major search engines. Whether someone searches for Ohio senior events, discounts or other services, OhioSeniorCitizens.com is one of the top 'non-paying' rankings. This means we do not pay to have our rankings displayed on the first search pages of Google, Yahoo, MSN or any other search browser page. Anyone who accesses the Internet understands the value of top rankings, and it's importance to the success of an online service.

This year we have specific goals, but to accomplish them we need your help. Below we have listed them according to the most immediate. Those who help us accomplish our goals will benefit the most as out way of saying 'thank you' for believing in us and our mission.
